SINGAPORE AIRLINES CARGO LAUNCHES SERVICE TO LEIPZIG, GERMANY

Singapore Airlines Cargo commenced a once-weekly B747-400 freighter service to the German city of Leipzig on 30 March 2008.

Leipzig becomes the 14th city in Europe and the 75th destination in the Singapore Airlines' passenger and cargo network. This new service will boost the growing freight business links between Eastern Germany and its key exports markets in the Middle East, West Asia and South East Asia. The Airline will offer customized services to meet the special needs of its customers.

The schedule of the service between Singapore and Leipzig is as follows:

Flight	Day	Departs Singapore	Arrives Sharjar (SHJ)	Departs Sharjar (SHJ)	Arrives Leipzig (LEJ)	Departs Leipzig (LEJ)	Arrives Brussels (BRU)
SQ 7384	Sunday	05:05	08:10	09:20	13:25	16:10	17:25

Flight	Day	Departs Brussels	Arrives Bangalore (BLR)	Departs Bangalore (BLR)	Arrives Singapore
SQ 7383	Sunday	19:50	08:45 (+1)	10:55 (+1)	18:05 (+1)
